# ASD-S PRIDE & DIVERSITY WEEK

Pride Week in Anglophone South School District (ASD-S) reflects our commitment to safe, inclusive, and respectful learning and working environments for all. It directly supports the ASD-S District Improvement Plan's focus on Belonging, which states: "All learners and staff will be safe and belong in our learning community."

For students in **grades K-5**, Pride Week provides an opportunity to deepen understanding of identity, inclusion, and respect. It supports critical thinking about equity and human rights, affirms students in being themselves, and encourages allyship and leadership in building safe, inclusive school communities.

ASD-S also commits to "strengthen our inclusive system to be anti-racist, affirming, and equitable; to honor diversity and welcome all students" (for more on this, check out [Policy 368](#)). Pride Week brings this vision to life by helping all students and staff feel seen, respected, and celebrated—today and every day.

During Pride and Diversity Week, Mrs. Babineau, our School Counsellor, will teach one lesson with each class. The lesson taught is called Building Bridges and will discuss supporting others, building connections and creating inclusive communities.

Classes will choose at least one other lesson to teach during the week. Lesson themes include: Celebrating Families; Being Yourself; Kindness; Inclusion: Being a Good Friend; Recognizing and Respecting Difference Among People.
