Let's Check-In!

New Brunswick / Nouveau-Brunswick

New Brunswick Elementary Check-In

Why the Elementary Check-In?

The Elementary Check-In (ECI) Survey is designed to gather students' perspectives related to their wellbeing, engagement and relationships within the school environment. The survey is intended to be brief, taking only a few minutes to complete within the classroom setting.

According to Educational Psychologists (Deci and Ryan, 2000), there are three important factors for positive mental health:

Competence

Autonomy

Connectedness
